Dear Parents and Guardians,

On Monday, March 8th, the Middletown Board of Education voted to discontinue French at the middle school level due to a consistent decline in enrollment over the past five years. As a result, French will no longer be offered at the middle school level effective for the 2021-2022 school year.

Despite this discontinuation at the middle school, students may continue to explore French at Middletown High School, as it will continue to be offered there at a variety of levels (French I - Advanced Placement).

Should you have any questions or concerns regarding the discontinuation of French at the middle school, please do not hesitate to contact either of us.

Sincerely,

Cheryl D. Gonzalez
Principal Woodrow Wilson Middle School
